Rio Oeste Homeowners Association  
P. O. Box 66298  
Albuquerque, NM 87193

Rio Oeste Homeowners,

Allow me to introduce myself. My name is Donna Chavez and my husband Paul and I moved into the community in July of 2017. Although we have only met a handful of the neighbors, we love the attractive and quiet of the neighborhood. I joined the board in 2019 and then COVID-19 struck so the board hasn't been able to do anything for community events. We certainly hope that will change very soon and we have the opportunity to meet the rest of the community.

The annual meeting is quickly approaching and we are seeking at least two new board members. Orlando and Judy who have been your long time board members have elected not to remain on the board. We are all certainly grateful for their long time service and commitment to this community! Now it's your turn to give it a shot! The community is already well established and well run (thanks to prior board members) so the personal commitment is minimal. Most everything is done through email with 4 meetings per year-virtually at this point.

Please consider joining the board and being involved in the decisions that impact Rio Oeste. If you are interested, please fill out the attached Statement of Interest and email to me at ***pearson.donna64@yahoo.com*** I will share your interest with the rest of the board and hopefully you can be elected or appointed on April 20 at the annual meeting. If you have questions, please let me know. This information is also posted on the website ***www.riooeste.com***.

In order to hold an official annual meeting we must meet the quorum requirements of 20%, so 9 homes must be represented at the annual meeting. If you are unable to join the Zoom meeting, please submit your proxy to be used for quorum only. The proxy is included with the attached announcement. Thanks for your support.

Sincerely,

Donna Chavez CMCA(r), AMS(r)
